

# OWL CLASS NEWS

## A PEEK AT OUR WEEK

9/2/26—13/2/26

### THIS WEEK'S LEARNING

#### English

Year 5 will be editing and publishing their setting descriptions and continuing to read out class text

#### Spelling

Words ending -cious and -tious— two week unit.  
Spelling assessment.

#### Grammar

Using punctuation for cohesion and variety and a grammar assessment.

#### Mathematics

Year 5 will be continuing to look at multiplying fractions and completing some maths assessments.

#### Science

The children will be continuing their unit of work – Properties of Materials. In particular looking at how we thermal insulation in homes and schools.

#### RE

Hinduism – the children will be continuing their work and reflecting on their Hinduism workshop experiences.

#### DT

Year 5 will be making their own biscuits and decorating them.

#### Art

Artist study – Nixiwaka Yawanawa. An Amazonian artist.

#### Computing

The children will be using 'crumbl' to learn more about programming
