ROYAL OPERA HOUSE SUPERSTAR!

We are all tremendously proud to hear that Arthur W in Year 3 has been offered a place in the Royal Ballet and Opera House Young Voices programme next year! The audition process involved different rounds where Arthur had to demonstrate his singing ability and acting skills. This week, he found out he has been successful with his application and will be part of this fantastic opportunity next academic year. The programme nurtures singing skills, creativity and confidence through training and performance opportunities. We all know that Arthur is an excellent musician, but it is wonderful that his talents have been recognised by this prestigious organisation.

SAL'S SHOES

School Council proudly represented our school by visiting the [Sal's Shoes](#) factory this week. As our chosen school charity for 2025-2026, the children wanted to donate some time and practical help as well as money to the charity.

Mrs Knock said that the children were wonderful ambassadors for our school and sorted over 500 pairs of shoes during their visit!

Sal's Shoes say that shoes are relatively difficult to recycle because of all the different components they are made up of. So, the charity finds homes for pre-loved shoes! Thank you for all of your donations to the charity. Sal's Shoes send shoes all over the world and have distributed shoes to 66 countries so far - we wonder who your shoes will belong to next?!

COMPETITION WINNER!

During this year's Enrichment Week, Mrs Colegate invited children to take part in a competition for Southern Water as part of their National Schools New Wave "Hydro Hero" initiative. Children entered the competition as part of their House Teams and Emily in Year 6s entry was selected as the winner for the Kent region!

Emily has won a £50 Amazon voucher, a book bundle for the school and New Wave drinking bottles for KS2 Uvedale Yellow House! A selection of the entries are published here, including Emily's winning design!

Hedgehog, picks up rubbish while rolling around. (Harriet, Y3).

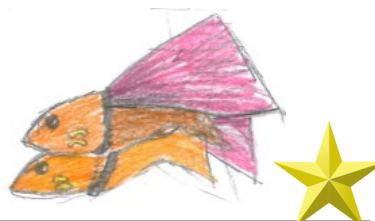

Basking Barry, eats rubbish and turns it into rubbish-eating-algae. (Arthur B, Y3).

Deer Trap, spots on the deer suck up oil in the ocean (Brooke, Y4).

Freddie the Water Cat, pounces on holes in water pipes. (Max, Y6).

Fantastic Fish, takes all micro-plastics out of water. (Emily, Y6)

REMARKABLE ROUNDERS

Miss Ward took a fantastic group of Y5 and 6s to St Mary's on a very sunny Tuesday afternoon for a rounders tournament. The group played excellently as a team, considering the optimal fielding positions. They batted brilliantly, hitting the ball into lots of open spaces and making the opposition work hard to chase it. Special mention to our bowler, Frankie, who didn't give away any no balls! Miss Ward was very proud to see the children shaking hands after each match, displaying great sportsmanship. Playing a total of three matches, the team left with 2 wins and a loss putting them in joint 1st overall! Very well done team. As became the phrase of the evening – absolute cinema!

PENALTY NOTICES - GUIDANCE FROM SURREY COUNTY COUNCIL

A reminder for parents/carers , that if they take their children out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s. 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

Common Sense Media launches new report on gambling among adolescent boys

Anyone raising a son is all too familiar with the rhythms of digital life. Between the nonstop notifications, ceaseless social media scrolling, and late-night gaming sessions, boys are figuring out who they are online. Parents love to see their sons connect, but they're uneasy, too. And the data backs up their concern.

Common Sense Media's newest research reveals that gambling has become common among adolescent boys, with more than a third of boys gambling before they turn 18.

In "Betting on Boys: Understanding Gambling Among Adolescent Boys," Common Sense Media's second report about boys' online lives, they discovered that for boys today, gambling largely doesn't happen at casinos or card tables. It lives in sports betting and inside boys' favorite video games—in loot boxes, skin cases, and other reward systems that blur the line between playing and paying—and it's showing up in their social media feeds through algorithmic recommendations. Nearly half of boys who gamble see online material that promotes gambling, mostly through algorithmic exposure.

The research makes clear that we're at a pivotal moment for boys' wellbeing. We can either let gambling become normalised during a critical period of their development, or we can act now—with education, safeguards, and real accountability.
