Dear Parents/Carers

Summer Term Updates

Thank you!

Thank you so much for all of the kind words and messages over the last few days during the Ofsted inspection. The support and positivity from our families (as well as the many gifts of fruit, chocolates and snacks for the staffroom!) have all been so greatly appreciated by all of the staff team. We also appreciate the time taken to respond to the Ofsted Parent View survey – an overwhelming 93 responses is a wonderful reflection of the parental commitment to our school.

We are so proud of our school community and how well our children represent the school, not just for the inspection, but every day. We will share the Ofsted report with you as soon as it is published.

Staff

Mrs Dalglish is not returning to school at the moment. We all send Mrs Dalglish our very best wishes and look forward to seeing her again soon.

Times Tables Rock Stars

Many thanks to the PTA who have paid for a licence for pupils to use [Times Tables Rock Stars](#) at home. This is a popular maths program in schools and I hope will be useful for our pupils at Tatsfield. Pupil login information will be sent home very shortly.

Please do remind your children about staying safe online and to follow our Acceptable Use Agreement if they use any web-based programs.

Medical/Dental Appointments

Wherever possible, please try to arrange children's routine dental and medical appointments outside of school hours. This helps to minimise disruption and ensures pupils do not miss valuable learning time.

Water Bottles and Food Containers

For health and safety reasons, we ask that children do not bring glass bottles or glass food/drink containers into school. Glass items can easily break and cause injury. Please ensure all drinks, break time snacks and foods in lunch boxes are stored in safe, non-breakable containers, such as plastic or reusable alternatives.

Parking

A simple reminder following on from my other letters – please park sensibly and safely in the car park. Please don't park on grass verges, pavements. Please don't block other cars in if you are leaving your vehicle.

Access should be maintained for emergency vehicles and sensible parking should be in place for the safety of our pupils.

With best wishes for the term ahead

Rachel Jewitt
Headteacher
