

KESTREL CLASS NEWS

A PEEK AT OUR WEEK

WEEK 6: 6/10/25 — 10/10/25

THIS WEEK'S LEARNING

Writing:

Identifying key features of an instruction text; planning and writing a set of instructions.

Spelling focus: The root word 'mech', meaning machine, instrument or tool.

Reading:

Focus on presentation and meaning of a text.

Mathematics:

Standard written method for subtraction with exchanging.

Science:

Recognise some common conductors and insulators, and associate metals with being good conductors.

PSHE:

Recognise that there are times when they might need to say 'no' to a friend; describe appropriate assertive strategies for saying 'no' to a friend.

Art:

Designing our own Ancient Egyptian burial mask, ready to create out of clay, focussing on raised features, such as eyes, eyebrows and nose.
