15th October (8.30am-8.45am) - Year 6

Open Morning. All parents welcome to come and see the children's work in the classroom.

WEEKLY SNAPSHOTS!

We made a 'blood smoothie' to show what blood is made up of and how it might look under a microscope.

Different ingredients represented:

red blood cells

white blood cells

platelets

plasma

antigens

Aim High, Achieve More

YEAR 6 GROW PROJECT

Tatsfield Primary School PTA would like to give children the opportunity to "Grow" money to raise funds for the school. This project is for Year 6 children only.

This fundraiser is a great way for children to develop their creative entrepreneurial flair.

Money skills are life skills. When children learn how to manage money early, they're better prepared for the challenges of adult life. This project will teach children to be money savvy and develop their financial skills.

Each child will be given £3 and asked to "grow" it by investing it safely in an appropriate activity that could make a profit. Children will have just over a month to raise as much money as they can.

Children can either do this on their own, group up or with friends/siblings so they have more money to start with.

Possible ideas include:

- Use the £3 to buy some ingredients to bake cakes which can be sold to family, friends or even parents' work colleagues.
- Siblings/friends get together and put on a Spring show/concert and charge admission – the £3 can be used to buy a fun pen to write out admission tickets.
- Do chores around the house for family members, for example sweeping up leaves in the garden or washing cars.
- Have a movie night at your house over the half term and sell tickets/ popcorn.
- Create and sell crafts to friends, family and neighbours (Pinterest has loads of great ideas using free natural materials and Home Bargains or Poundland have a great selection of art items).

Children can do anything to grow your money and make a profit for the school.

If the children make crafts and wish to sell them we can organise with Mrs Jewitt for the children to have a stall after school one day.

We hope children enjoy this fundraising challenge and thank you for supporting the PTA and the school.

The £3 will be given out to children this week!

Please return the £3 plus profit to school in the envelope provided after half term (w/b 3rd November). The envelope can be addressed to Tatsfield Primary School PTA.

This fundraiser is optional so please return the £3 to school if you do not wish for your child to take part.
