Primary School

## Newsletter - 23rd July 2026

### THANK YOU!

On behalf of the staff team, thank you to our parents, family and friends for the exceptionally kind messages, cards, yummy treats and gifts that have been shared with us to celebrate the end of the academic year. We all really appreciate the strong home school partnership we share and thank you for your support this year. For those of you leaving Tatsfield, especially our Year 6 pupils, we wish you every success in your next steps. We wish you all a safe and happy summer and look forward to seeing everybody in September!

*Mrs Jewitt*

### DIARY DATES

**3rd September** - 8.30am, school gates open for the start of the new school year.

**7th & 8th September** - first days of school for the new Wrens!

### 2026 SPORTS DAY

Sports Day for EY and KS1 and KS2 was fabulous this year. We saw lots of kindness and resilience as well as lots of joy and celebration for pupils who achieved 1st, 2nd or 3rd place in the races and activities. The results this year are:

#### EY & KS1

**1st** - Leveson Gowar House (1246 points)

**2nd** - Gresham House (1217 points)

**3rd** - Uvedale House (986 points)

**4th** - De Ros (940 points)

#### KS2

**1st** - De Ros (68 points)

**2nd** - Uvedale House (62 points)

**3rd** - Gresham House (59 points)

**4th** - Leveson Gowar House (35 points)

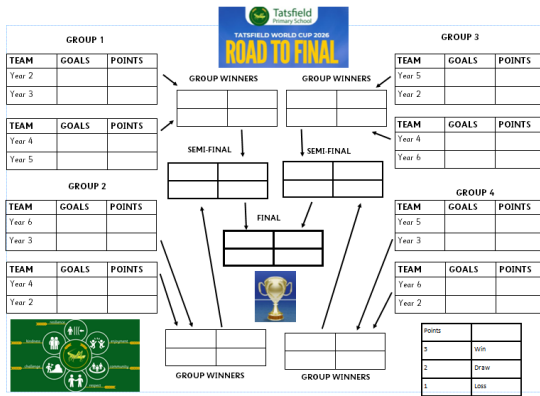

### GOLD SCHOOL GAMES AWARD!

For the first time ever, Tatsfield Primary School has been awarded the Gold School Games Mark award! The award is facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across the school and community. This award demonstrates our focus on activity throughout the school day (not just PE lessons), our inclusive approach to sports and PE and the strength of pupil voice and sports culture across the school. Thank you to Mrs Collins for her leadership of PE and the school staff and volunteers for all of their contributions to school sports.

***Aim High, Achieve More!***

## TATSFIELD FOOTBALL WORLD CUP

Pupils in KS2 had a great idea to host a Tatsfield World Cup this year. The teams were organised the fixture list set up and the matches began in earnest! The overall winners this year were Year 6 with Year 5 a close second. A special mention to Enzo, Oliver, Bill and Charlie R who sportsmanship was particularly noted during the tournament. And a very special mention to Oscar N who made a 'Tatsfield World Cup' trophy and runner up award that now sit proudly in our trophy cabinet!

## THANK YOU TO THE PTA

Thank you to the PTA for funding the new dyslexia-friendly books for our school library. Your support is helping us build a more inclusive environment where every child can find books that feel accessible and enjoyable. These additions will make a real difference to pupils who benefit from dyslexia-friendly formats. They will be used and appreciated for years to come.

Thank you to all of the parents who support the PTA events to fund these important projects and events at school across the whole year.

## EXCEPTIONAL EAGLES!

Congratulations to our amazing Year 6 pupils who performed an exceptional play for their end of year production. 'Porridge' was funny and entertaining and the Year 6 actors delivered their lines and songs with confidence and precision. The dress rehearsal for the school was incredible, but then the performance for family and friends was out of this world! Thank you to Miss Ward, Mrs Freedman and Mrs Smith for all of their hard work behind the scenes to produce an amazing show!

## PERFORMANCE STAR!

Congratulations to Arabella in Year 1 who recently acted, danced and sung in a range of shows and medleys and has been awarded a medal for her patience, dedication, confidence and commitment. Well done, Arabella!

### Online Safety News

**Common Sense Media launches new report on gambling among adolescent boys**

Anyone raising a son is all too familiar with the rhythms of digital life. Between the nonstop notifications, ceaseless social media scrolling, and late-night gaming sessions, boys are figuring out who they are online. Parents love to see their sons connect, but they're uneasy, too. And the data backs up their concern.

Common Sense Media's newest research reveals that gambling has become common among adolescent boys, with more than a third of boys gambling before they turn 18.

In "Betting on Boys: Understanding Gambling Among Adolescent Boys," Common Sense Media's second report about boys' online lives, they discovered that for boys today, gambling largely doesn't happen at casinos or card tables. It lives in sports betting and inside boys' favorite video games—in loot boxes, skin cases, and other reward systems that blur the line between playing and paying—and it's showing up in their social media feeds through algorithmic recommendations. Nearly half of boys who gamble see online material that promotes gambling, mostly through algorithmic exposure.

The research makes clear that we're at a pivotal moment for boys' wellbeing. We can either let gambling become normalised during a critical period of their development, or we can act now—with education, safeguards, and real accountability.

Read the full research report by clicking the link below:
