

5<sup>th</sup> September 2025

Dear Families

A very warm welcome to all of our pupils and families as we begin this new academic year. Whether you are returning to Tatsfield, or are joining us for the first time this September, I hope you all feel a strong sense of belonging and community as part of our brilliant school.

Every class teacher holds a Welcome Meeting at the start of the school year to talk about the curriculum, learning opportunities and school aims. The meetings will be held at 4.30pm on the relevant dates for each class, and parents can choose to join in-person or on TEAMS. Effective partnerships between school and families have a hugely positive impact on our children so we do hope you are all able to attend the meeting with your child's teacher.

This week, we have launched our new values logo. The school values remain the same, but the image has been redesigned and has been shared with the children in class and assemblies. We've spoken about how we should demonstrate our school values every day and how we all make a positive contribution to our school community when we do this. Please do talk to your children at home about our school values and what they mean to them (a bigger version of the image is on page 2 of this letter).

I've asked the children to think about how they have demonstrated our school values at home, at a club or activity, or at school. They can write about what they've done, take a copy of a piece of work, bring a photograph into school or send photos of their achievements to their teacher (via their year group email address) so that they can be shared on our values board in the main school corridor. Please do encourage the children to get involved in this celebration of Tatsfield!

In other news, Miss Rice (Student Teacher) and Mr Hussein (Breakfast Club and TA in Year 3) have joined Tatsfield Primary School this term. We welcome them to our team.

I look forward to a happy and successful year ahead with you all.

Best wishes
