### ROCK ON!

We started this week with a rock-tastic concert by our Rocksteady bands. We heard a huge range of songs performed by the 'Blazing Lizards', 'Royal Koalas', 'Armadillos', 'Crazy Capybaras' and the 'Rock n Rollers'. We saw some great chord progression on the keyboards, excellent vocal skills, rhythmic beats on the drums and super guitar skills. Well done everyone!

### YEAR 2 MULTI-SKILLS

On a sunny Monday after school, Tatsfield hosted the Tandridge Year 2 Multi-Skills event. Over 100 children gathered on the playground to represent their schools in a variety of skilled based stations. Our Year 2 team knew the drill as this is the same format we use in our inter-house competition. They worked incredibly well trying to score as many points as they could for our school.

The Year 2 event is not about overall results but the fact every Year 2 child has the opportunity to represent their school and get an idea of what sports in our cluster looks like ahead of Key Stage 2. Well done to all of the children who took part and thank you Mrs Ford for stepping in very last minute to be chief scorer for our team.

**The team:**

Albert, Enzo, Harry, Frankie, Jesse, Nico, Mila and Maisie

### MAKING MUSIC!

Thank you to Mr & Mrs Farren who have created music pallets for the outside areas. The pallets have re-purposed items that would have otherwise been thrown away, so we're delighted that this sustainable musical idea can be enjoyed by so many children!

## TUNEFUL TRUMPETS!

Year 4 have completed a term of trumpet lessons as part of our music curriculum. They all developed their embouchure, breathing techniques and read notation to learn a range of pieces (including some dance moves!). The hall was full of parents and family members to hear the children's end of term performance and celebrate the children's musical achievements.

## DODGEBALL

A group of Year 5s and Year 6s went to Oxted School this week, to participate in a dodgeball tournament. Over the six games they played, they showed great skill progression and determination to get their opponents out whilst catching the balls to get their team mates back into play. Fantastic sportsmanship was shown throughout as it is a very hard quick paced game for the young sports leaders to referee. Thank you Mrs Freedman for supporting the team.

## JOLLY JOKES

Our school value focus last week was 'kindness'. We spoke about Red Nose Day and Comic Relief in assembly and discussed the theme of 'funny for money'. Some of the children have written some jokes to share with the Tatsfield community. If they make you laugh, maybe you'd like to make a donation to this year's [Comic Relief?](#)

Music of the Week enjoyment

**'Proud'**  
By Heather Small from M People

Being proud of our work and achievements can bring enjoyment and motivate us to keep trying.

The lyrics in this song say "What have you done today to make you feel proud?"  
What have you done this term to make you feel proud of yourself?

This is a piece of pop music. This song was released in 2000.

**"What does a chick say if it doesn't understand something at school?"**

Please can you egg-splain this to me!  
(Wren, Year 1)

**"What do you get if you cross a teacher with a bag of sweets?"**

Mrs Chewitt!  
(Harry T, Year 5)

**"What did the chicken say when it needed help in class?"**

Tweet-cher, please can you help me?!  
(Elodie, Year 4)

## FEELING PROUD

This week, we have focussed on the school value of 'enjoyment' and how being proud of our achievements can bring enjoyment and motivate us to keep trying. In the words of Heather Small, we have been asking the children "what have you done today, to make you feel proud?". We spoke about pride and humility. Ask your child what they are most proud of this term!

### Online Safety News

**New kids online safety website launched as part of government campaign**

To mark Safer Internet Day on 16 February 2026, the Government launched a brand-new Kids Online Safety website, designed to help families feel more confident in guiding their children's online experiences.

This new resource has been shaped around the real concerns shared by families across the UK, helping to make everyday conversations about online behaviour simpler, more confident and more meaningful.

Developed with experts like Parent Zone and Internet Matters, it provides parents with simple conversation starters, age-appropriate advice on risks, and guidance on setting up parental controls.

The website is designed to support families and encourage regular conversations about what they're seeing online, asking simple questions, like "who shared this" and "why?". Based on parents' main concerns and needs, it provides:

- tips for parents' conversations with their children
- actions to support each stage of their child's life
- parental controls information

The website will also signpost to trusted resources from charities and third parties, where parents can access other forms of support (like speaking to an expert).

The website will continue to grow and be developed this year, supporting the Online Safety Act and wider government aims.
