November 2024

# Tatsfield Primary SEND Parent Workshop

- ▶ Quality First Teaching
- ▶ SEND or Additional Needs
- ▶ INSIGHT

- ▶ SENDCo working days:

Tuesday

Wednesday (morning)

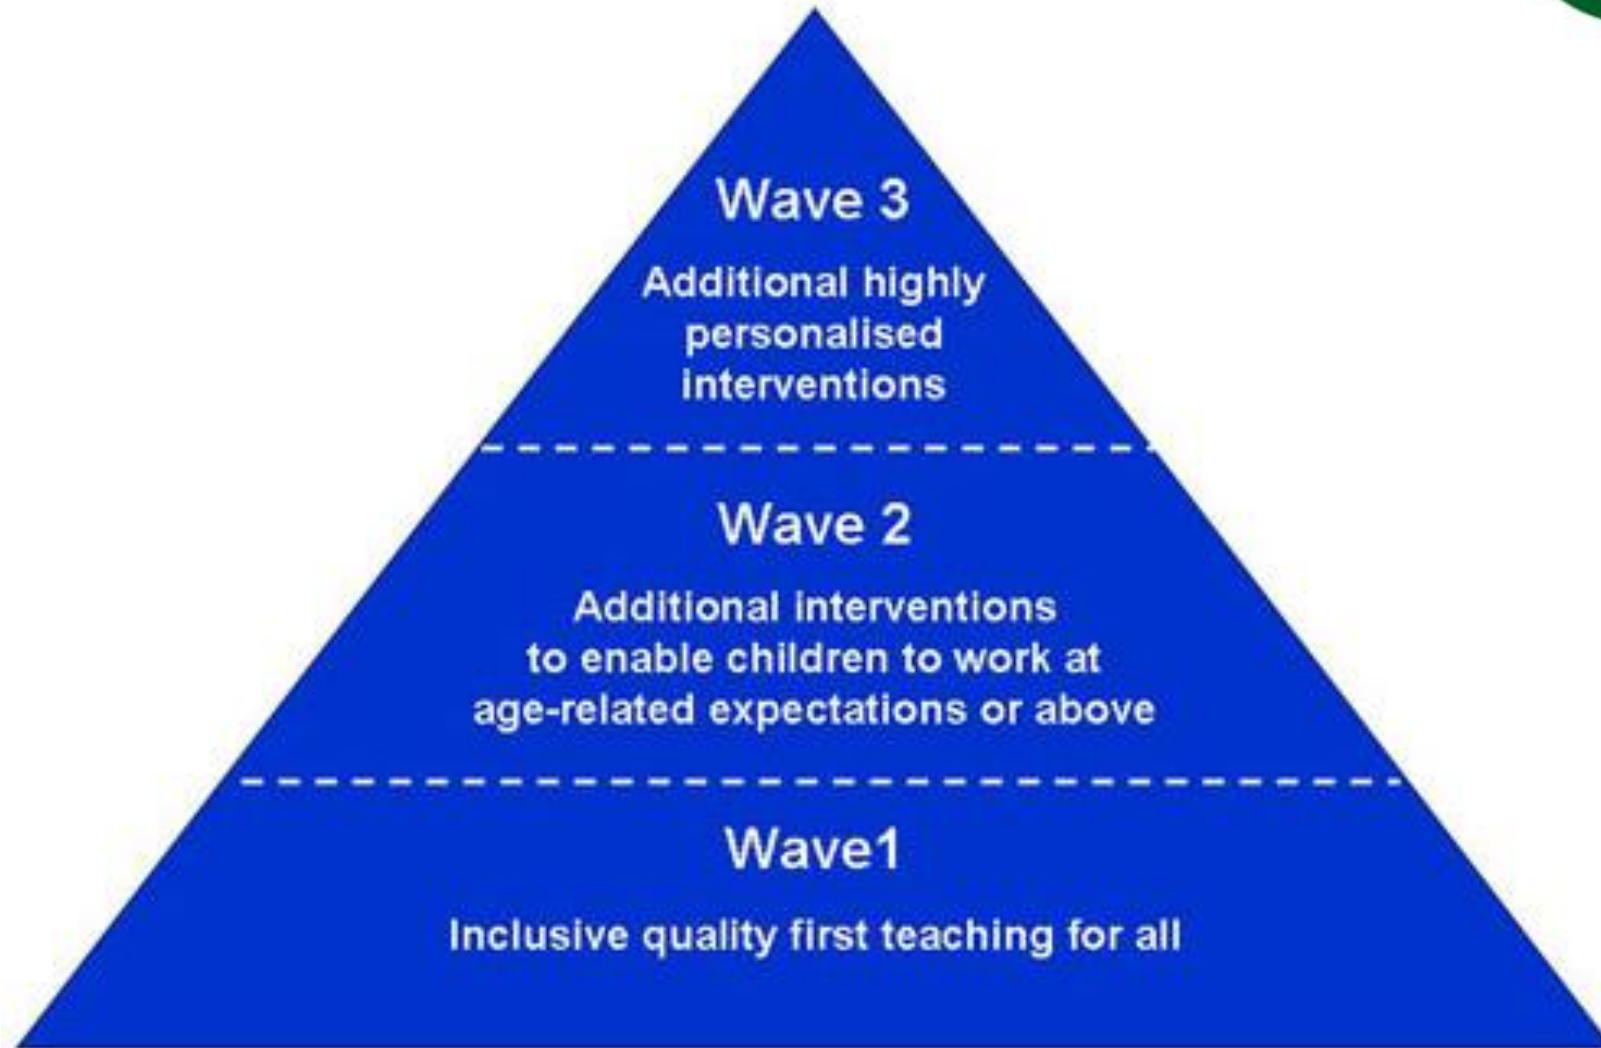

Thursday

# What is Quality First Teaching?

- At Tatsfield Primary School our learning environments are underpinned by Quality First Teaching which enables all learners, including those with SEND to make good progress and builds high expectations for all of our children.
- Quality First Teaching includes scaffolded learning, strategies to support SEND pupils' learning in class, on-going formative assessment and many others.
- Prioritising Quality First Teaching within every lesson, every day, less pupils need additional SEND support.

# Tatsfield Waves of Provision

# EEF Five-a-day

The 'Five-a-day' principle: High quality teaching benefits pupils with SEND

**1** Explicit instruction

**2** Cognitive and metacognitive strategies

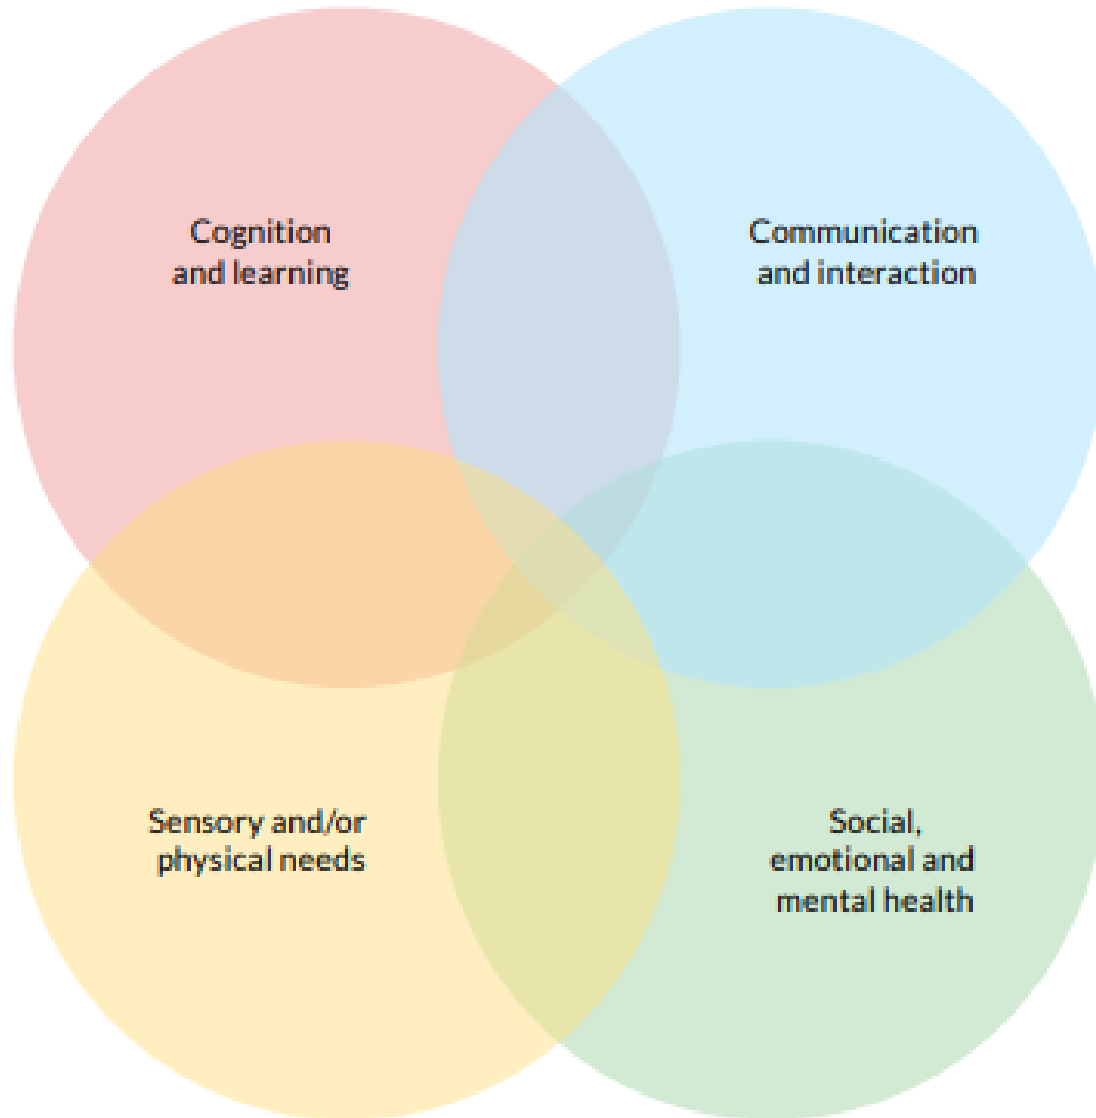

**3** Scaffolding

**4** Flexible grouping

**5** Using technology

# Quality First Teaching

## SEND or Additional Needs?

- ▶ A SEND register helps us keep track of pupils who require provision that is **additional and different to that offered to all pupils**, in order to reach the expected standard.
- ▶ An additional needs register helps us keep track of pupils who have additional needs, but who **don't require specific or additional support to reach age-related expectations as a result of special educational needs and/or disabilities (SEND)**.

# Insight

- ▶ We previously used Excel to create IPMs. We've recently moved to INSIGHT (an assessment tracking program)
- ▶ INSIGHT offers the function of creating IPMs and collates information about children's assessments and interventions
- ▶ Individual Provision Maps are being replaced with Individual Learning Maps (ILPs) or EHCP Learning Maps
