WELCOME TO OLIVE

Our Menus

We have a fantastic choice of menus which run in 3-weekly cycles. Each of our menus have been especially created with the school in mind and offer exciting and varied hot dishes, packed full of flavour.

Our Commitment to Healthy Eating

We believe that good food leads to better concentration, energy and overall student well-being.

That's why we focus on using wholesome ingredients, reducing processed foods and ensuring our meals provide essential nutrients for growing minds.

Our Services

Children can enjoy a range of exciting food concepts each lunchtime, celebrating different tastes and cultures.

We set up a taste table for children to see what is on offer that day which we find can really help the children with decision making.

Water is at the Water Station for you.

Water Station

We provide fresh jugs of water daily, ensuring our primary school students stay hydrated, healthy, and ready to learn.
